**Joshua's Prayer of Courage/ The Lord speaks to Joshua (Eric Beaumont)**

Questions for small group study

**Joshua 1 vs 1-9**

Please tackle the questions which best suit your group.

1. Joshua was in contact with God. How do *you* contact God?  
Do you have any order or routine in your prayer time so that you, in your own way, spend meaningful time with God?  
Share your approach with the group so all may benefit from your experience.
2. Have you ever 'heard from God' in a specific way or on a definite topic?  
Share this with the group.
3. In what ways do you need courage in your daily life?  
How can your group bolster your courage?
4. How can you help others in your group and in wider contexts to meet life's circumstances with courage?
5. How do you feel about God's reception of your prayers?  
How do you see your progress as helping God to have his will here on earth?
6. Have you ever had a time when someone has said, "God has told me ..." and this does not resonate with your spirit? How can you gently help in this situation?
